

## OUR MISSION

Men's Golf Fellowship creates awareness and opportunities for hearing from and growing with golf friends who have made Christ a central part of their personal and professional lives. This is accomplished through breakfast meetings, discussion groups and other fellowship venues. Our motto, *Growing in Faith With Golf Friends*, captures our mission.

## WHAT IS MEN'S GOLF FELLOWSHIP?

Men's Golf Fellowship (MGF) was formed to help address the spiritual needs of golf friends. Men are open to learning about a personal relationship with God, especially when they take a fresh look at all aspects of their lives. Many of the men now involved want to explore questions related to personal faith but don't necessarily have another forum to do so. Men's Golf Fellowship provides that opportunity.

GROWING IN FAITH WITH GOLF FRIENDS

## BREAKFASTS

During certain times of the year (depending on location), we provide weekly or monthly opportunities for MGF men to invite friends to enjoy a full buffet breakfast at a local golf club for warm fellowship and to hear an inspirational speaker who shares how faith has worked in his life. These speakers have included PGA and Senior Tour golfers; professional sports figures; CEO's of Fortune 500 companies; popular writers; influential economists; renowned physicians; military leaders; US Senators and Governors; and others noted for outstanding accomplishments in their professional fields.

## BANQUETS

Some locations hold banquets for MGF men and their wives. These are for introducing new friends to MGF, hearing a great speaker, building fellowship and involving wives. They are a great time!

## DISCUSSION GROUPS

MGF Discussion Groups are smaller groups of men that are formed at local clubs to go a little deeper into the life and faith conversations that are of interest to them. They share stories that encourage, enlighten and challenge. There is no defined direction for a group to grow—we leave that up to the groups themselves. Strong friendships are often developed in these groups. Some groups grow to include golf outings, family gatherings and other social activities.

Discussions might include topics such as:

- What Does Transition Mean to Us?
- What Is Our Real Purpose?
- What Is Our Real Net Worth?
- How Do We Handle Compassion, Forgiveness and Love?
- What Is Real Wisdom?
- Why Do Bad Things Happen To Good People?
- How Can I Form a Closer Relationship With God?
- How Can I Be More Effective in Living Out My Faith?
